Term 2 promises to be a very busy term for both students and staff. In week 1, we had a representative from the Salvation Army asking students to volunteer for the Red Shield Appeal. We had close to 70 students offering to support this initiative. What an impressive response from our student body! We also had a neighbour contact our school to thank four students for assisting him as he was trying to move a heavy piece of garden equipment. He was so appreciative of the goodwill of our students! Another fantastic reflection of the students at Cumberland High School!

Our committed teachers are currently setting exams, marking assessments, preparing reports as well as delivering highly engaging lessons whilst simultaneously continuing to support all the extracurricular offerings that we run at Cumberland High School! More than anything, there is a great deal of excitement and a wonderful buzz across our school as we prepare for Wauchope!

We are very fortunate at Cumberland High School to have such a dynamic and cohesive Executive Team that is always ready to embrace change and develop processes that enhance the learning opportunities for our students. Ms Ashton (HT Mathematics) is currently leading the evaluation of our assessment and reporting processes. We are developing staff expertise in the use of the integrated platform Millennium, which enables staff to report more explicitly on student learning outcomes. Mr Andrews (HT Faculty of Arts) is leading this whole-school transition to Millennium. Mr Andrews worked in the school holidays with the JMark IT team to upgrade our IT server and infrastructure. Our computers are working faster and for the first time our students have individual electronic student folders where they can safely save and store their work. A fantastic outcome!

We also had Mr Thomas (HT Administration/Welfare) supervising the Year 12 students in the school holidays as they completed their exams. These students had missed their exams last term due to illness and being given the opportunity to sit the exams during the school holidays enabled the students to resume classes this term without missing any learning time. Thank you Mr Thomas!
Mr Thomas also continues to co-ordinate our Brekky Bar (Breakfast Program) to ensure that our students have a nutritious start to the day. Members of staff who support this initiative include Mr Walford, Mr Low, Mr Walker, Mr Commons, Ms Nelson, Ms Jenkins, Ms Nicholls, Ms Stead, Mr Tang, Ms Kitson, Ms Andreassend, Ms Harvey and Ms Bastock. The team has a fortnightly roster with two members of staff on each morning for Tuesday, Wednesday and Thursday and the program has been expanded to include preparation of lunch and pancakes!

We have had a number of International students commencing their studies at Cumberland High School this term and I would like to acknowledge the extraordinary work of our International Team Ms Kitson (International Student Coordinator), Ms Ngui, Ms Farrugia, Ms Ju (Korean CLO) and Ms Kwong (Chinese CLO). The team works continuously to support our International students and is currently organising an enrichment excursion to Bathurst.

What a fantastic start to the term!

Mechel Pikoulas
Principal

Years 7 and 12 Parent Teacher Night

The Years 7 and 12 ONLY Parent Teacher Night is on Monday 19th May starting in the afternoon from 5pm until 8pm. Please be sure to book online to ensure you have reserved an appointment with your child’s teachers.

Community Mentors Being Sought

Thankyou to the parents/community members who have volunteered to be part of the Year 11 Mentor Program that we are planning and organising to hopefully commence later this year. This will largely depend on the community mentors that we can involve and get to support our wonderful students that will take part in the program. If you have the time and wish to support a student at Cumberland as a vocational mentor please contact either myself or Leanne Carroll in HSIE.

Mentoring Program for Year 11 – Seeking Mentors

The school is currently investigating the possibility of developing a vocationally-based mentoring program for Year 11 students who would benefit from having an interested and experienced adult to guide them with making choices and to develop career goals for the future. A similar program has been proven highly successful in a few schools including Crestwood and Glenwood High Schools. The program will run in the mornings from about 8.00am to 9.00am for up to 20 weeks with at least one mentor session per month at the school.

The idea is for interested mentors to volunteer to be placed on our data-base to be potentially matched with a student that has an interest in your particular area of expertise or work. Training in being a mentor, as well as being a mentee will be conducted once the matches have been arranged.

More detail will be made available as the program develops over the term. At the earliest this new program will not commence until Term 3. If you would be interested in being part of this new program as a mentor and can give some of your valuable time to support a young person in their growth and development please contact me on the school number – 9871 7718.

School Uniform

I am pleased to report that the great majority of our students are wearing their school uniform with pride and on a regular basis. With the cold of winter upon us alternate different coloured jumpers and jackets, along with white long sleeve skivvies and sloppy-joes or hoodies under their uniform white shirt, are not acceptable nor will be permitted and should not be worn.
If a student is required to wear a non-uniform item they will need to bring a note from home explaining the issue/problem. This note is given to their roll call teacher who records it and then gives the student a purple uniform pass. Students who fail to wear their correct uniform risk being placed on after-school detention, along with parents/carers being contacted if the problem continues. We appreciate the support provided by parents/carers in meeting this school policy.

P. Wood
Deputy Principal

Anzac Day

This year the Anzac Day service was held on the 10th April. It is a tradition at Cumberland, as well as many other schools around Australia, to honour our fallen soldiers as well as those who made it home. The ceremony was compered by Lauren Strickland and Joanna Kim. A speech was given by Georgia McPherson; and Rohan Pearson-Bourne read out the well-known Anzac tribute poem *In Flanders Fields*. The Last Post and the Rouse was played by Matthew Salmon, and the wreath laid by Nikola Najdovski and Crystal Thurley. We would like to thank everyone who contributed to the service.

Lest We Forget
Lauren Strickland, Nikola Najdovski

SCIENCE REPORT

Year 11 Biology Excursion: Field of Mars Environmental Education Centre

On the 7th April, all three Year 11 Biology classes, accompanied by Mrs Kalpage, Mrs Stead and Mr Wallford undertook a field study at the Field of Mars Environmental Education Centre on the Lane Cove River at East Ryde. The students employed many technologies to study the distribution and abundance of native species in two ecosystems; a dry sclerophyll woodland and a mangrove forest. The excursion provided the students with an invaluable first-hand experience that covered much of the content of the *Local Ecosystem* core module.
Science App of the Month

Wolfram Alpha is more than a search engine. It gives you access to the world's facts and data and calculates answers across a range of Science topics.

Cool Science Links

  I Know That Science – great interactive website for Junior Science with topics including The Human Body, The Solar System and Volcanoes
EDheads – another cool interactive website for Junior Science. Simply choose an activity and explore topics such as simple machines, mobile phones, nanoparticles and stem cells.

Teasers

The 1st student to Mr. Walford with correct answers for all 5 questions will receive a prize.

1. Which bird has the longest wingspan?
2. The Ring of Fire is a zone of high seismic activity associated with which ocean?
3. In computer science, what does AI stand for?
4. Where would you find cerumen?
5. What is the largest artery in the human body?

Answers next edition.

Answers to last edition's teasers

1. Golden syrup can be made from sugar beet or sugar cane.
2. Amphibians are affected by the fungal disease chytridiomycosis.
3. The Milky Way is the galaxy that contains the Solar System.
4. The positron is the antiparticle of the electron.
5. The Jurassic period occurred between the Triassic and the Cretaceous periods.

PDHPE & Sport Report

Term 2 has kicked off with a number of sporting events at school, zone and regional levels. Cumberland is still competing strongly in a number of NSW Knockout competitions. Our Athletics Carnival is fast approaching. Preparations are also underway for the annual Cumberland versus Wauchope competition which we are hosting this year. Here is a snapshot of the past few weeks.

- Rugby League - Opens University Shield WON through to next Gala Day
- Girls Soccer – lost against Crestwood HS (away)
- Boys Soccer – lost against Wyndham College (home)

Upcoming games over the next few weeks:
- Rugby League - U/14 Buckley Shield
- Boys & Girls Touch – competing at Sydney West Gala Day
- Boys Hockey – against Castle Hill HS

Cumberland Vs Wauchope 2014

The annual Cumberland vs Wauchope visit is nearly upon us – again! For those of you who are first-time Cumberland parents this year, a little background information:

Each year since 1976 there has been an annual sporting/cultural/social exchange between the students and staff of Cumberland and Wauchope High Schools. Wauchope is a small country town about 20 km inland from Port Macquarie on the North Coast. Each year 100 students are selected from each school to make up the various teams that will compete for the Jack Parsons Memorial Shield. **We take turns hosting the event and this year it is Cumberland’s turn to provide the accommodation.**

The main reason why this interschool event has been able to be maintained for the last 38 years is the support shown to both schools by the parents – especially those who agree to take a student or two from the visiting school into their home for two nights. This practice not only makes the annual event possible, it keeps the cost to all involved down to an acceptable minimum.

We would like to take this opportunity to urge **all Cumberland families** to seriously consider whether they can assist with the billeting of the Wauchope students at the end of TERM 2 (25-27th June 2014, Wednesday to Friday).

Students who are billets will also have the opportunity to attend ALL events and games over the three days as they play host to a Wauchope student. The event also includes Basketball and Volleyball Night at Auburn as well as a School Disco. Teams are already training over the coming weeks. Watch this space for more details!

#GoCumberland
Cross-Country Carnival

This was held on Friday 4th April at school. The weather was looking doubtful but ended up being very agreeable and, in combination with outstanding student enthusiasm, it was a great day. Students competed in either a 3km, 4km or 6km race depending on their age group.

Our Cross Country Champions for 2014 are as follows:

</table>

Thank you to everyone who participated. All students who completed their event also earned valuable points for their House as part of the House Championship. For the second year running, ALGONA won the Cross Country Carnival. The final point score for the Cross Country Carnival were as follows:

1st Place – Alguna 182 points
2nd Place – Cumbora 178 points
3rd Place – Derringbong 107 points
4th Place – Brigalow 82 points

Zone Cross-Country Carnival

A Cumberland team of fifty students competed in the Zone Cross-Country Carnival held on Wednesday 9th May at Macquarie University. Our best results on the day included:

- 12 years BOYS Blake Jago 6th place
- 13 years BOYS Ryan Manley 5th place
- 14 years BOYS Hiro Suzuki 3rd place
- 15 years BOYS Sunny Chang 3rd place
- 15 years BOYS Sid Rahman 9th place
- 17 years BOYS Jayden Seyfarth 6th place

Well done to all our competitors and good luck to those going on to the Sydney West Cross Country Carnival.
**School Athletics Carnival**

This will be held on Friday 30th May at Barton Park. This is a whole-school event and it is always a fantastic day where all students get behind their peers as they compete for house points and Zone representative honours. An information note will be issued outlining travel arrangements and organisation for the day.

**Events**
- Students will be competing in age groups
- Remember, it is the age you turn THIS YEAR
- You will be able to compete in track events (100m, 200m, 400m, 800m) and field events (discus, high jump, javelin, long jump, shot put)
- Nominations to for Zone athletics will be taken for hurdles, triple jump and long distance events

**Food and Drink**
- The prefects will be conducting a barbecue on the day and selling drinks and lollies
- Bring your money so that you can buy lunch

**House Points**
- Don’t forget the House Championship which is awarded at the end of the year – the Athletics carnival points will be added to points from the Swimming and Cross-country carnivals.
- There will also be bonus points up for grabs for the house with the best attendance
- However, normally the house with the most people participating in events wins the carnival as everyone who participates will earn points for their house.

**Carnival Bandanas**
- As you know, we wear **FULL SPORTS UNIFORM** to all carnivals but we will be selling bandanas in House colours for you to show your support at the Athletics Carnivals
- They will be $2.50 each and can be purchased from the PE staffroom

> Get behind your house and have a great time at the Athletics Carnival!

**TERM 2 SPORT**

Winter Grade Sport is underway in the following sports:

**BOYS**
- Soccer 15’s
- Soccer Opens
- Volleyball 15’s
- OZ-Tag Opens
- Rugby League 15’s 7-a-side
- Mixed Hockey

** GIRLS**
- Basketball 15’s
- Basketball Opens
- Touch 15’s
- Touch Opens
- Soccer 15’s
- Mixed Hockey

**GRADE SPORT**

Teams playing away at the other schools and catching the bus meet their teacher at 12:15pm in the COLA.

When traveling away, students are required to catch the sports bus and must purchase a **Sport Bus Pass at a cost of $6 for one Wednesday Sport Bus Trip (or multiple weeks can be purchased)**, payable to the FRONT OFFICE on any day prior to travel.

- Students will not be allowed to board a bus without a Sport Bus Pass.
- Passes can be purchased individually at a cost of $6 per week from the FRONT OFFICE
- Passes are transferable and the same pass may be used for siblings i.e. two students from the same family travelling to an AWAY game will cost $12.

A reminder that Wednesday afternoon sport is compulsory for all students in Years 8-11. All students must be part of either a Grade Sport team (competing against other schools) or part of a Recreational Sport Group (various activities on school grounds).

**Grade Sport Reminder:**

- **FULL SPORTS UNIFORM IS COMPULSORY.**
- **Failure to meet uniform requirements may result in a grade team FORFEITING.**
- **SLIP-ON SHOES are NOT PERMITTED**

**Launching Our Team App**

We have launched our **GO CUMBERLAND** Team App!

Download this free app to any platform for your smartphone or tablet to keep in touch with news about Knockout & Wauchope Sport teams.

Once you have downloaded the app, search for ‘Go Cumberland’ to access our very own app.

You can also access the information in the app from any web browser via this URL: [www.gocumberland.teamapp.com](http://www.gocumberland.teamapp.com)

Details of TRAINING SESSIONS and upcoming GAMES have been added so students and parents always know what’s going on in for Knockout and Wauchope teams.

Teams, training sessions and match times will be updated regularly.

**#GoCumberland**

*Miss C Brown (Head Teacher PDHPE)*
Castle Hill Leadership Program: Dinner with Former Prime Minister of Australia – John Howard

On Tuesday the 6th of May 2014, we attended our fourth Mentoring Session of the Castle Hill Leadership Program (CHLP) with the Former Prime Minister of Australia – John Howard. We arrived at the Castle Hill Country Club at 6.45 pm and upon his arrival, Mr Howard greeted us with a humble gesture, and enquired us with our ambitions and goals in life. The dinner was a truly remarkable experience, as the second-longest serving Australian Prime Minister shared his extraordinary political journey, which comprised of the significant restrictions on gun ownership following the Port Arthur massacre in 1996, introduction of the Goods and Services Tax (GST) in 2000 and the September 11 Attacks when he was in the USA. Mr Howard also commented on Australia’s current political issues, our university-fee scheme and education system. As one of our nation’s most successful leaders, Mr Howard inspired us with his rather compelling advice in relation to being a leader: “A leader must have a strong set of beliefs, be a good listener (not just a decisive person) and accept that you will make mistakes, but it is important to get the big things right and fix the small mistakes” and “Inspiration is a key leadership quality and we are all entitled to inspire others”. We are extremely grateful for the opportunity given to meet such extraordinary leaders and are looking forward to our next dinner with Gail Kelly (CEO of Westpac).

Amanda Chiam and Sean Lim (Year 12)

Castle Hill Leadership Program: Dinner with the Chief Justice, the Hon. Tom Bathurst, QC

On Monday the 28th of April 2014, we attended our third Mentoring Session of the Castle Hill Leadership Program (CHLP) with the Chief Justice, the Hon. Tom Bathurst. This program, organised by Dominic Perrottet (newly appointed as a Minister for Finance and Services) has allowed us the gracious opportunity to meet outstanding leaders including, the Governor General Peter Cosgrove, NSW Police Commissioner Andrew Scipioine, and more recently, the NSW Chief Justice Tom Bathurst. Our third mentoring session was attended at the Madison Function Centre on the last Monday of April and was a grand occasion where we were honoured to hear the various experiences of the Hon. Tom Bathurst. The Chief Justice’s words inspired and encouraged us, as well as the student leaders from schools within the Castle Hill area, to become even greater leaders: “To be a good leader, you have to have humility and empathy”, “Leadership is not about a continual stream of success” and “Failures are important, they give you experience and a story to tell”. He also gave encouraging advice towards completing our HSC year: “HSC is not the beginning or the end of the world” and “Anyone who has ever failed is either a person who has never tried anything or a liar” As prefects of Cumberland High School, we are truly grateful for such an outstanding opportunity to partake in this journey along with Mr Perrottet and the twelve wonderful student leaders also participating in this program. We look forward towards our next dinner with the former Prime Minister John Howard, sometime this May, as well as our future sessions with: Gail Kelly (CEO of Westpac), Pat Farmer (Member of the Australian Parliament for Macarthur) and Miranda Devine (renown Writer and Columnist for Australian newspapers).

Sean Lim and Amanda Chiam (Year 12)
PARRAMATTA GIRLS RIVERSIDE THEATRE PRODUCTION

On Tuesday 6th of May, 41 students in Year 9, 10 and 12 were lucky enough to attend the wonderful ‘intense and different’ play Parramatta Girls at the Riverside Theatre Company (Rehan Syed, Yr. 10). Along with Mr. Afiouni and myself, the students thoroughly enjoyed this very confronting and moving performance. A part of our local history, Parramatta Girls Home was established as a reformatory and training institution for girls and young women and dates back as early in Australia’s history as 1867. This incredible performance ‘raised awareness of hidden social and historical issues’ (Anastasia Kim, Yr. 12).

Through simplicity and raw emotion, the play did great justice to the generations of women who resided at Parramatta Girls and explored their many different and at times, harrowing stories. ‘It was dramatic and sad to learn that these events happened in real life’ (Cassandra Coorey, Yr 10). Students were engaged with ‘a good story and a lot of swearing’ (Daniel Fasihi, Yr. 12). The students who came along were impeccably behaved and enriched from this ‘jaw-dropping’ experience (Anare Tawamaca, Yr. 12). Parramatta Girls formed cross-curricular connections amongst the English, Drama and History faculties and was an eye-opening and valuable experience for our students. The play was ‘very sophisticated and profound’ and was also described as a ‘fantastic, historical masterpiece’ (Abilash Sivakumar & Paul Morian, Yr. 10).

Well done to those 41 students who came along and made our school proud and thank you for your valuable contributions to this article.
